Safety & Security

Please take a moment to read this important information.

Fire safety & evacuation

It is important that you read and understand the fire safety instructions on the back of your room door and familiarise yourself with the emergency exits.

Fire alarm tests

Every Friday
11:00 AM

Test duration
10 seconds

The hotel conducts a weekly fire alarm test every Friday at 11:00 AM. The alarm will sound for 10 seconds, during which time there is no need to evacuate the building.

Should the alarm sound for more than 10 seconds, please follow the normal fire evacuation procedures, shown on the back of your room door.

Room security

For increased security while you are in your room, engage the deadbolt located above the door handle.

A door viewer is provided in the door for your safety. If there is any doubt about a person's identity at your door, please call the Front Desk.

Registration key cards

Please carry your key card with you during your stay. If you lose or misplace your key card, notify the Front Desk as soon as possible.

Emergencies

Push the Emergency button on your in-room telephone, which will connect you directly to the Front Desk for immediate assistance.

05

Guest Privacy

We understand and respect your need for privacy.

Guest privacy

We understand and respect your need for privacy. The hotel reserves the right to visually inspect all guest rooms every 24 hours to ensure the well-being of our guests and confirm the condition of the room.
